Gentle Spring comes this year with a cloud on her face. She's a cold-blooded deceiver.

Croquet seems to be indulged in to a considerable extent by the young people of the Valley.

Go to the Academy of Music Saturday night and learn all about the philosophy of "Influences."

Probate Court is in session this week, and Judge Edwards is busy with the administration of estates.

The largest assortment of frames ever brought to Ironton came to-day at Jud. Chambers' Gallery.

A Pullman palace car will probably be attached to the Arcadia Accommodation train for the coming summer.

Fine Background Balustrades received at Jud Chambers' Gallery. Jud has now one of the best stocked Galleries in Southeast Missouri.

The Calico Ball, which is billed for Thursday night, promises to be the grandest affair of the season. Let all attend and make it a success.

Parties desiring Music, *New York Weekly, Harpers Bazar*, or any other magazine or fashion paper can get them by going to Jud. Chambers.

Mr. Robt. Hotson is building an ice cream parlor, and when finished it will not only be an addition to Mr. H.'s establishment, but a credit to the town.

Mr. Wiesner has the boss polish for pianos, organs, furniture, etc. We have tried it, and speak understandingly in the light of experience and by actual test.

The Saturday Evening Assembly of the 29th ult., was a decided success, there being the largest crowd in attendance that has ever assembled on any previous occasion.

Fishing seems to be the avocation of quite a number of our citizens at present, and the strings of fish that are brought to town show that it is a pretty lucrative business.

Mr. Guy, the "flower man," was in town last week and disposed of about two wagon-loads of fine plants, flowering shrubs, etc. He has our thanks for a very fine bouquet.

ORGANS!—ORGANS!—*South American Organs*, for sweetness of tone, reigns supreme over all others. C. W. HANDLEY & CO., Cor. 10th & Olive Sts., St. Louis.

The ladies of the Episcopal Church will give a festival at the Academy of Music on Thursday evening, the 11th inst. All are invited to attend, and a good time is anticipated.

Judge Emerson has added to and refitted his old law office until it is one of the neatest and prettiest little places in Ironton. It will shortly be occupied by Dr. A. S. Prince and family.

As a nerve Leis' Dandelion Tonic is most valuable. It cures wakefulness, depression, loss of appetite and that multitude of discomforts occasioned by a disordered nervous system.

Probably the last regular meeting for the season, of the Teachers' Association, will be held Saturday evening next in the Academy of Music. Everybody ought to attend. Admission free.

Music should be in every household, and any one can have it by buying a *Smith American Organ*, on installments or cash, of C. W. HANDLEY & CO., Cor. 10th and Olive streets, St. Louis.

The case of Mrs. Bresline vs. J. M. R. R. was thrown out of court last Thursday, on some legal technicality which ordinary mortals do not affect to understand. It is rumored an appeal will be taken.

Come to the Academy of Music next Saturday evening and hear Judge Emerson's address on "Influences." The address will be prefaced by music and a few recitations. Admission free; doors open at 7:30.

NICE ARRANGEMENT.—The Arcadia accommodation now carries all kinds of express matter except money. By this arrangement perishable articles can be bought as late as 1 or 2 P. M. and then reach here the same evening at 8 o'clock.

The invitations to the Calico Ball at the Academy of Music Thursday evening of this week have been issued, and arrangements are being perfected to insure a good time to all who may come. The intended Phantom Party has been abandoned.

Aug. Block's new saloon building at Ghermanville is now completed, and he will open out on Thursday of this week. He has laid in a new lot of prime liquors, wines and cigars, and promises those who call upon him for refreshments a good, pure article.

IN MEMORIAM.—JOHN ALLISON was born June 17th, 1816, in Peters township, Washington county, Pennsylvania, and died in Arcadia on April 25th, 1882. He was a very quiet, orderly citizen, but not, we believe, a member of any church. In mechanical genius few could excel him. T. C.

Prof. Vandiver, of the Caledonia Seminary, will probably speak Saturday evening at the Academy of Music. Judge Emerson will deliver a philosophical lecture on "Influences;" so, brush the cobwebs away from your brain, put on your "thinking caps," and go. Give the teachers a good "send off" in their closing exercises.

Mrs. S. T. Lopez's Millinery Opening on Monday of last week was a brilliant affair. Her millinery store is the finest in Southeast Missouri, and when artistically adorned with bright ribbons, lace, flowers, hats, bonnets, etc., presents a beautiful sight and one well calculated to delight the hearts of her many lady customers.

We find the following suggestive item in Tuesday's *Republican*: "Mr. Karst, the French Consul, has an order for Arkansas grist-mills to ship to France. He finds that the freight from Hot Springs to St. Louis is greater than from St. Louis to France." Probably Mr. Karst isn't as used to freight squeezing as are local shippers along Gould's roads. If he were he wouldn't stop to "make an item of it."

COLORADO SCHOOL EXHIBITION.—Mr. J. W. Jackson, teacher of the colored public school of this district, will give a public exhibition at the Academy of Music on Friday evening of this week. The exhibition will be enlivened with songs by the "Owl Quartette" from St. Louis. No admission fee will be charged; but, as the Quartette give their services free of charge, a contribution will be taken up at the close of the exercises to defray traveling expenses. The public is cordially invited, and a good entertainment may be expected.

The Closing Exercises of the Southeast Normal School at Cape Girardeau will commence Friday evening, May 26th, 1882. The programme is as follows:

Friday evening, May 26.—Joint Entertainment of Literary Societies.

Monday, May 29.—Public Examination of Graduates by Committee.

Tuesday, May 30.—Public Examination. Evening, annual address by Governor Thomas C. Crittenden.

Wednesday, May 31.—Public Examination. Evening, Graduating Exercises of Elementary Class.

Thursday, June 1.—Graduating Exercises of Advance Classes. Evening, Alumni Entertainment and Annual Reunion.

The Spring Festival for the benefit of the Catholic Church at Pilot Knob last Wednesday evening was a complete success—socially as well as financially. The attendance was very large, and the enjoyment of all apparent. The supper tables were filled with every delicacy and substantial that mind could conceive or stomach desire. During the evening various articles were contended for and voted to the favorites of the assemblage, as follows:

Rev. Father Hennessy's Picture—to Frank Siebert, Pilot Knob.

Sewing Machine—Miss Katie Pierce, Fredericktown.

Cigar Case—Miss Mary Brientein, Pilot Knob.

Pictures (Ecce Homo and Mater Dolorosa)—Miss N. Howard, Iron Mountain.

Doll—Miss May Hopkins, Arcadia.

Toilet Set—W. Casto, Pilot Knob.

The proceeds of the Festival amounted to over two hundred dollars.

THE ED. THOMAS CASE.—A venire for one hundred jurors in the Ed. Thomas case, was issued last week, and a panel of forty selected from them. The challenging brought this number down to the required twelve by nine o'clock Saturday morning. Then the trial began, and the examination of witnesses continued until Monday afternoon. After the conclusion of the taking of the testimony, Monday afternoon and evening speeches were made by Messrs. Edgar for the prosecution, and Dinning and Byrns for the defense. Some time after 10 o'clock the court adjourned until 8 o'clock Tuesday morning, when Judge Carter closed for the defense. He was followed by Mr. Edgar whose speech closed the argument, and the case was given to the jury. That body retired at 10:20 o'clock, and after a three hours' consultation returned the following verdict:

"We, the jury, find the defendant not guilty of murder in the first degree, but do find him guilty of murder in the second degree, and assess his punishment at ten years in the penitentiary."

The defense have filed a motion for a new trial.

LATER.—The motion for a new trial was overruled, and an appeal taken to the Supreme Court, with a stay of sentence. The prisoner is under bond of \$5,000.

PERSONAL.—Mr. Tom Moore and family, of Poplar Bluff, are in the Valley on a visit to friends and relations. They are the guests of Mrs. Jno. H. Delano.

Mrs. Edgar Lanpher, of Fredericktown, spent several days at this place last week visiting her aunt, Mrs. Jno. M. Moore.

Mrs. Collier, of Bismarck, is in town visiting friends and relatives.

Miss Mamie Pilley, of Iron Mountain, was in town Monday. She left for home in the evening, accompanied by Miss Katie Gresson.

Miss Allie Meyers, of Bismarck, was in Ironton last week.

Mr. D. Taylor and Mr. Abington are in town. They were called home on account of the serious illness of Master Grant Taylor.

The genial and business-like salesman, Mr. A. Louis Long, representing the firm of Ely, Walker & Co., interviewed our merchants last Wednesday.

Mr. Eugene Godron, Mr. Blackwell, and B. Brunswick were in town last week drumming up the trade for their respective firms.

Mr. P. A. Moser arrived in Ironton Sunday on a visit to his family. Mr. Moser's Ironton friends always give him a hearty welcome.

The *St. Louis Globe-Democrat*, of April 30th, says Mr. and Mrs. Ed. Walsh will make Pilot Knob their future home.

Mr. A. Gardner, the well-known station agent at Bismarck, last week tendered his resignation, having accepted a much better position in the glass works at Crystal City.

Mr. Guy, the florist from Kimmiswick, was in town last week. Mr. Guy is a very pleasant and affable gentleman, and always commands a good trade here.

DIED.—At Arcadia, on April 25th, 1882, at 3:10 o'clock A. M., John H. Allison, aged 65 years, 19 months and 8 days.

Although there has been no report from the Clonians, the society has held its regular meetings and its members have pursued their studies with increased earnestness. Several friends at a distance having kindly manifested much interest in the proceedings of the Society, it was decided to keep them informed, through the columns of the REGISTER, of the subjects under discussion each evening. The Society met, as usual, at the residence of Mrs. S. H. Delano. After the review of previous lesson, a short history of the conquest of Wales by Edward I, was given. The chief events and character of Edward's reign were discussed, including the circumstances which led to the revolt of Scotland under the celebrated William Wallace. Of course, each member recalled his noble deeds, and tragic death, as related in the old romance of the "Scottish Chiefs." But a brighter day dawned for Scotland, when Robert Bruce, by dauntless bravery and perseverance, defeated her enemies and secured her independence. A sketch of his life was read, and the exercises closed by singing "Scots wha hae wi' Wallace bled."—In the meantime a large dish of strawberries had been brought in and presented to the Society with "the compliments of a friend in Little Rock." After partaking freely of the delicious berries, the members of the Clonian gave a hearty vote of thanks, and instructed one of the young ladies to notify Mr. Frank Delano, the generous donor, of their appreciation of his kindness. The topics for next evening are: Edward II—Abstracts of the Histories of Scotland and Wales, previous to the 14th century—St. Columba—Influences of Towns and Guilds—Books, previous to the invention of movable types—General Questions on English History. REPORTER.

Commencement Exercises of the Bellevue Collegiate Institute.
 CALEDONIA, Mo., April 26th, 1882.
 Mr. Editor: Will you please be kind enough to publish the following programme of our closing exercises?
 June 1st to 7th—Examinations, written and oral.
 Sunday, June 4th—Commencement sermon, by the Rev. C. O. Jones, of Charleston, Mo.
 Wednesday, June 7th—Prize essay contest by the Junior class, and annual address to the Literary Society by Hon. J. Perry Johnson, of Fredericktown, Mo.
 Wednesday evening—Society entertainment, including prize contest in declamation by the young gentlemen.
 Thursday, 8th—Graduation exercises, with an address by the Rev. J. E. Godby, of St. Louis.
 Thursday evening—Primary entertainment, with the prize contest in reading by young ladies.

The growing prosperity of the Institute, and the increased interest manifested in it by the people of Southeast Missouri, is most gratifying; and it is with great pleasure that we invite the public generally to attend the closing exercises of this year. For the first time in the history of the Institute, these exercises will be held in the college chapel, it having been completed this year.

Now, Mr. Editor, allow me to extend a special invitation to you, with the promise that if you will come, and make yourself known to me, I shall take great pleasure in providing entertainment for you.

Respectfully,
 W. D. VANDIVER,
 President.

Butler County Items.
 CATERPILLARS are doing great damage on the "Cat" road, having several times caused great delay in trains. It is feared they will demolish the wheat prospects, although at present no damage has been done worthy of mention.

THE quiet little village of Harviell, Butler county, was ablaze with excitement last Saturday, caused by an employee at the "Big Mill" (situated two miles below Harviell), who had an overload of benzine, and who, after taking in the general state of affairs around the depot (the agent being at supper), concluded he would act as express train, conductor, and baggage master, and shouldered a trunk that was lying on the platform belonging to a Mrs. Glass, and started southward between the two rails.

The trunk was soon discovered missing, and a few moments later the man was found and given chase, who "side-tracked" where there were no rails to lead him, and took refuge in the woods. He was finally captured, and after an interesting tussle the Marshal succeeded in putting him in the "cooler." He was taken to Poplar Bluff on Monday for trial.

SEVEN hunting hounds belonging to Dan. Morris, of Poplar Bluff, were poisoned one day last week for killing sheep.

Jonathan Mayberry, formerly of Bellevue, but lately removed to St. Francis county, was killed Tuesday. He was driving a team which ran away, and threw him from his wagon, killing him almost instantly.
